

Lindy 100W 4-Port USB Type A & C GaN Charger

ProdCode: LINDY73441

Compact, fast 4-Port USB Type A Charger

[\[Download Images\]](#) (.zip file)

Features

- Compact, fast 4-Port USB Type A & C Charger
- Charges and powers multiple devices simultaneously via multiple USB Type C and USB Type A ports
- 100W Power Delivery via the USB Type C ports provide fast charging for smartphones, tablets, laptops and other mobile devices
- Compact design for maximum mobility
- Built-in safety features such as overvoltage and overcurrent protection

Powerful Multi-Port Charging

The Lindy 100W 4-Port USB Desktop GaN Fast Charger is designed to charge up to 4 devices at the same time. The 100W Power Delivery support in the USB Type-C ports allows fast and efficient charging, while the two USB Type-A ports provide up to 18W fast charging, making it ideal for phones, tablets, and accessories.

Smart Charging for Any Device

With 2 USB Type-C and 2 USB Type-A ports, this charger is compatible with laptops, smartphones, tablets, gaming devices, and more. Featuring Programmable Power Supply (PPS), it dynamically adjusts voltage and current in real time to optimise charging performance for each device.

Intelligent Power Optimisation

The charger automatically detects the best charging conditions for each connected device, ensuring optimal power distribution. It protects devices from overcharging and overheating, improving long-term battery health and efficiency.

Safety & Energy Efficiency

Designed with advanced safety features, this charger includes overcharge, overcurrent, over-temperature, and short-circuit protection. It also meets Level 6 efficiency standards, ensuring high energy efficiency while reducing power waste.
