Features

The dedicated ASTRA2 SERIES LogicKeyboard makes controlling Steinberg Cubase & Nuendo a lot simpler and faster. It is ideal for post-production facilities, professional video editing houses and anyone else who requires all the custom key commands to be readily accessible from a dedicated, clearly labelled, colour-coded keyboard. Using this keyboard is also a great way to learn the Steinberg Cubase & Nuendo key commands. And since the Steinberg Cubase & Nuendo dedicated keyboard also features all the regular letter, number, and symbol labelling that you will find on a conventional keyboard, it can simply be used as a substitute for it. Easy to set up and use. No software required. Soft touch keystroke - Ideal for all day comfort.

- Steinberg Cubase & Nuendo PC Backlit ASTRA2 keyboard
- Backlit keys for enhanced contrast and readability
- Dimmable backlight with five selectable levels. 100/80/60/40/20
- Which allows you to set the light at the exact level you prefer considered the light in your surroundings
