

# Lumens OIP-D40D

**ProdCode: LUMOIPD40D**

Full HD 1G Decoder

[Download Images] (.zip file)

## Features

- Delivers 1080p pristine video quality with ultra-low latency
- Long-distance IP-based A/V transmission
- Video wall deployment with portrait and landscape orientation
- Intuitive Web-based GUI for AV distribution and control (\*with [OIP-D50C](#))
- Entry-level A/V distribution solution
- 5 Year Warranty

## High Quality with Ultra-Low Latency

The [OIP-D40E](#) / [OIP-D40D](#) delivers 1080p pristine video quality with ultra-low latency. Powerful visually lossless compression technology enables crystal-clear video without losing video quality at fast speed.

## Long-Distance IP-based A/V Transmission

The OIP-D40E / OIP-D40D bridges the video sources and digital displays over the standard 1Gbps network. The OIP solution can transmit videos over a long distance

and arbitrarily adjust the number of endpoint devices without an extra network switcher.

## **User-Friendly Web GUI**

Intuitive Web-based GUI allows users to preview the video source and quickly deploy video sources to displays or video walls in real-time via laptops, tablets, or mobile phones. (\*with [OIP-D50C](#))

## **Video Wall Deployment**

With portrait and landscape orientation, you can create your desired shape of video walls that gives your audience an ultimate visual experience.

## **Applications**

Sports Bar, Casino, Control Room, Sports Arena.
