

Lumens VC-TR60A Dante AV-H

ProdCode: LUMVCTR60ADANPB

4K Dual Lens Speaker Tracking Camera - Black

[\[Download Images\]](#) (.zip file)

Features

- 4K Dual Lens Speaker Tracking Camera
- Dual Lens Camera with 12x Optical Zoom
- Smart Speaker Tracking with integrated voice sensors
- Picture in Picture Function
- Motion-detect and auto-tracking
- HDMI, Ethernet, and USB simultaneous output

Intelligent Speaker Tracking

VC-TR60A Dante AV-H incorporates an array of directional sound sensors that detect the location of active human voices. The camera head moves and zooms to shoot the current speaker, re-framing as other voices enter the discussion.

AI Motion Tracking

VC-TR60A Dante AV-H features sophisticated auto-tracking and framing modes. Its intelligent human detection algorithms deliver smooth tracking for conferences,

presentations, meeting rooms, classrooms and studios.

PIP Output

VC-TR60A Dante AV-H can combine the two video images in a picture-in-picture display with output over HDMI and USB. This allows the audience to watch a composite video that incorporates both the wide-angle view and the tight shot. This function can be activated independently, or at the same time as running motion or speaker tracking.

Dante AV-H Video Streaming

VC-TR60A Dante AV-H uses popular streaming formats including Dante AV-H to deliver high quality, low latency video over IP networks. Dante AV-H is compatible with Dante Controller, Dante Domain Manager and Dante Director, allowing the camera's video stream to be routed, controlled and secured, using familiar applications.

Dual Video Output

VC-TR60A Dante AV-H generates two video streams from its panoramic fixed camera and the robotic zoom head. These can be delivered over IP into a media processor, IP-based production software or a lecture capture system to provide two camera angles from a single unit.

Need Further Support?

If you have any questions or require additional support regarding this product release, please do not hesitate to contact us. Our team is here to assist you with any inquiries or provide further information or marketing collateral as needed.
