

# Lumens VS-KB21

**ProdCode: LUMVSKB21**

IP Camera Controller

[\[Download Images\]](#) (.zip file)

## Features

- IP Camera Controller
- Controls up-to total of 255 IP-connected cameras
- Quick access control of exposure, white balance, focus, PTZ speed and 2 user-assignable keys
- Supports RTSP Preview on LCD screen
- Supports RS-232, RS-422, and Ethernet control
- Supports VISCA and VISCA Over IP control protocols

## 3" LCD Preview Screen

The low latency preview screen monitors up-to 255 IP streams simultaneously. For precise framing, the operator can switch to a single stream layout enabling full screen video preview.

## Quick Camera Select

With 7 hot keys, the operator can instantly select the PTZ or box camera they want to

control. This makes it easier than ever to manage a multi-camera production.

## **Quick Settings**

The LCD screen displays all key camera parameters including iris, shutter and gain. This allows quick and accurate set-up of each camera.

## **Single Cable Installation**

The VS-KB21's Ethernet connection is multi-purpose. Connected to a PoE-enabled switch, the network cable can transport video, power and control signals. This makes installation extremely quick and cost-effective.
