

Slidekamera AF-48

ProdCode: MRMCAF48

PTZ quick release system adapter

[\[Download Images\]](#) (.zip file)

Features

- PTZ quick release system adapter
- Ideal heavy cameras and remote heads with a payload of up to 20kg
- Easily and securely mount PTZ cameras on Slidekamera sliders

The AF-48 is a quick-release system for heavy cameras and remote heads with a payload of up to 20kg.

It's designed to easily and securely mount PTZ cameras on Slidekamera sliders.

One large knob allows you to tighten the camera quickly and firmly. A large contact area ensures the stability of the connection.

AF-48 compatible with Slidekamera remote heads that use the native 3xM6 mount (all current heads lineup) and all other equipment using the large slot for 1/4" and 3/8" screws.

The AF-48 also includes M4 threads for the native Panasonic PTZ mounting plate, which enhances the camera rigidity.

The set includes a full range of screws to use the adapter with Slidekamera devices or third-party hardware.
