The Classic Strap™ adds a touch of class to any camera or binocular.

The tailored design is made with soft, durable neoprene combined with a unique "Comfort-Stretch" binding. While the neoprene evenly distributes the weight, the unique binding gives added support in order to eliminate shoulder and neck fatigue. This combination makes your cameras and binoculars feel 50% lighter and 100% more comfortable.

The quick disconnects give the strap an added feature as they can be reattached together to form a small carrying handle when the shoulder strap is not in use.

You get two straps in one - Classic Strap™ is sure to be a "classic"!
