The Bin/Op Strap™ QD provides a stylish and comfortable carrying system for compact binoculars or cameras with two connection points.

As the popularity of compact binoculars increases amongst outdoor and indoor entertainment enthusiasts, so does the demand for a comfortable strap. The Bin/Op Strap™ QD uses small cord loop attachments which are ideal for cameras, binoculars and electronics with tight connection areas.

The neoprene pad offers comfort while the mini quick disconnects provide added versatility in a compact design. It is fully adjustable from 80 to 96.5cm (31.5 to 38").
