

OpTech Adjustable Connectors

ProdCode: OPTE8453

3/8" thermoplastic rubber connector for Quick Disconnect straps. Length 8.5-13"

[\[Download Images\]](#) (.zip file)

Features

- Fully adjustable in length from 8.5" to 13"
- Thermoplastic-rubber connector is 3/8" wide to fit most camera connection points
- The quick disconnects can be clipped together to create a small carrying handle
- Sold in sets of two
- Made in the USA

With the OP/TECH USA System Connectors™, the camera/binocular owner has several connection options. You can buy an extra set of connectors to customize the strap to best suit your needs. Straps can be lengthened to be worn across the chest or shortened to be worn at chest level. Another feature of the System Connectors™ is the small carrying handle created when the quick disconnects are latched together. The Adjustable Connector features patented thermoplastic-rubber connectors that hold strong but remain flexible. The Adjustable Connector is available in sets of two.
