[\[Download Images\]](#) (.zip file)

Features

- 4K PTZ Camera with simultaneous 3G-SDI, HDMI & USB output
- Compact size & wide angle
- Simultaneous 3G-SDI, HDMI & USB output
- High-Quality Video Streaming for More Comfortable Online Communication
- Excellent system flexibility to achieve smart wiring and smooth operation

Entry model suitable for use in small meeting rooms and small classrooms

PTZ cameras play an increasingly important role in teleworking such as online meetings and online classes. The AW-UE20 offers high image quality, wide shooting angle and high-magnification zoom to provide more comfortable communication through high-quality video images and stable transmission. The AW-UE20 is compatible with a wide range of systems such as SDI, HDMI, USB and IP, thus allowing flexible camera setup and operation. The AW-UE20 is a high-quality entry model. The compact unit can be installed in a small place without getting in the way.

High-quality video streaming for more comfortable online communication

- 4K resolution, wide angle and high-magnification zoom maintain “the ambience of hall” intact in streaming videos
- Auto Tracing Software accurately follows and captures the speaker

Excellent system flexibility to achieve smart wiring and smooth operation

- Easy installation/setup and compact system configuration
- Single PC or controller can manage and control multiple cameras
- Use as a USB camera
- Direct upload of videos to video livestreaming services

Compact size and excellent functionality that do not disturb the existing video streaming environment

- Compact design blends in with the surroundings. Light weight and small size for added installation flexibility
- Linkable with existing system
