Small Camera, Big Picture

The AW-UE4 4K PRO PTZ POV Camera supports 4K 30p/29.97p/25p and HD video

output and is equipped with an ultra-wide-angle lens with a 111° field of view, which makes it perfect for small rooms or mounting close to the action.

With the compact size and versatility of the UE4 body design, it is the perfect remote camera for recording/streaming everything from lectures and meetings to esports and live productions. It can even be used as a high-quality USB webcam for video conferencing.

The UE4 supports PoE or USB power, allowing video transmission, camera control and power all through a single cable. (PSU not supplied)

The UE4 boasts high-performance streaming to services like YouTube Live.

High-Quality Video Output Formats

Enables 3840 x 2160 4K output and a variety of other formats.

- 4K (2160) - 2160/30p, 2160/29.97p, 2160/25p
- HD (1080) - 1080/60p, 1080/59.94p, 1080/50p, 1080/30p, 1080/29.97p, 1080/25p
- HD (720) - 720/60p, 720/59.94p, 720/50p

Ultra-Wide-Angle Lens with a 111° Field of View

Perfect for small rooms or break out areas, or whole stage/conference/classroom etc.

Single Cable Flexibility

In addition to PoE power, power via a USB cable is also supported to enable operation without the need for connecting an AC adapter.
