**ProdCode: PGYP26A006**

Hard Carry Case for DJI Mavic 3

[\[Download Images\]](#) (.zip file)

### Features

- Hard Carry Case for DJI Mavic 3
- Sturdy & Waterproof, professional protection
- The space is large and has a custom area for DJI Mavic 3
- Can store Mavic 3 drone, remote controller or DJI smart controller, flight batteries, power adapter, filters and cables
- Waterproof rating IP67 (1 meter under water when the case is closed can guarantee no water)
- Anti-fall, anti-shock, anti-vibration, anti-corrosion, high and low-temperature resistance
- Equipped with a pressure balance valve to automatically balance the internal and external pressure difference

### Waterproof IP67

The case has a waterproof rating of IP67, waterproof up to 1 metre.

### Impact & temperature-resistant, corrosion-proof

The case is made from engineered plastic injection moulding, which is strong and durable. It can withstand temperatures of -25 to +60 degrees. It can also endure temperatures of - 40 to + 80 degrees for a short time.

### **EVA shock-proof lining offers increased protection**

The CNC-engineered, high-quality EVA lining offers a snug fit and ultimate protection.

### **Easy and safe to open during altitude and temperature changes**

It's equipped with a pressure balance valve to prevent unwanted vacuum sealing (or bursting when opening) caused by air pressure differences due to temperature and altitude changes inside and outside the box.

### **Reinforced, Anti-Theft**

The reinforced anti-theft latches lock securely, yet are easy to open. There are dual stainless steel padlock holes to avoid cutting through.

### **Ergonomic Handle**

Comfortable, non-slip and wear-resistant handle with dual colours.
