

PGYTECH DJI Avata Safety Carrying Case

ProdCode: PGYP36B020

Hard Case for DJI Avata

[\[Download Images\]](#) (.zip file)

Features

- Hard Case for DJI Avata
- Accommodates a DJI Avata Pro-View Combo or Fly Smart Combo as well as 6 intelligent flight batteries
- The case has a waterproof rating of IP67 (which means a closed case can go 1 meter underwater without water coming in)
- Impact & temperature-resistant, corrosion-proof
- Equipped with a pressure balance valve, for easy and safe to open when altitude and temperature changes

Impact & Temperature Resistant, Corrosion Proof

The case is made from engineered plastic injection moulding, which is strong and durable. It can withstand temperatures of -25 to +60 degrees and for a short duration even -40 to +80 degrees.

Waterproof Ip67

The case has a waterproof rating of IP67 (which means a closed case can go 1 meter underwater without water coming in).

Eva Shock-Proof Lining Offers Increased Protection

The CNC-engineered, high-quality EVA lining offers a snug fit and ultimate protection.

Easy And Safe To Open During Altitude And Temperature Changes

It's equipped with a pressure balance valve to prevent unwanted vacuum sealing (or bursting when opening) caused by air pressure differences due to temperature and altitude changes inside and outside the box.
