**ProdCode: PGYP42C010**

Camera Cage for DJI Osmo Action 4 / 3

[\[Download Images\]](#) (.zip file)

## Features

- Camera Cage for DJI Osmo Action 4 / 3
- Specially designed for Osmo Action 4 / Action 3
- Side snap-on locking brings easy installation
- With diverse ports to attach accessories
- Switch between horizontal and vertical shooting
- Keep USB Type-C power input open for continuous shooting
- Flip-top battery window allows you to replace the battery and memory card with ease

## Innovate, Interact, Interface

- Cold shoe mount: Attach photography lights and microphones.
- Bottom universal action camera interface and 1/4" threaded interface: Compatible with a wide range of GoPro accessories.
- Side Arri-located 1/4" threaded interface: Seamless switching between landscape and portrait shooting.

## **Formfitting Enough to Bring All-around Protection**

Specially designed for DJI OSMO ACTION 4/3, providing enhanced protection and performance for professional creation.

## **Side Snap-on Locking Brings Easy Installation**

This camera cage adopts a side opening & closing design and you can easily fit it to your camera.

## **Magnetic Connection In A Snap**

The bottom slot of the cage maintains access to ports and helps to realize magnetic connection of the DJI system.

## **Convert Between Vertical and Horizontal Shooting Modes**

Designed with a DJI magnetic connection interface and a 1/4 threaded hole on the side, it allows horizontal and vertical mounting of the camera onto DJI support systems.

## **Charging Solution Enables Longer Shooting**

- Flip-top battery window allows you to replace the battery and memory card with ease.
- External USB Type-C power input enables longer continuous shooting time.

## **Universal Cold Shoe Mount Makes You Shoot Like A Pro**

The top cold shoe allows additional accessory mounting of a light or mic.

## **Lightweight and Durable Aluminum Construction**

Made of aluminium alloy, it is light enough to let heat dissipate yet solid enough to withstand intense use.
