**ProdCode: PGYP55A010**

Camera Cage for Insta360 X4

[\[Download Images\]](#) (.zip file)

### Features

- Camera Cage for Insta360 X4
- Tailor-made for Insta360 X4
- Flip-open design for convenient and efficient assembly
- Multiple interfaces for connecting various photography equipment
- Switch freely between landscape and portrait modes
- Side hollowed-out design for normal operation of camera function buttons
- Compatible with both forward and reverse insertion of the action camera
- Silicone lens cap, compatible with A-grade and S-grade lens guards

### Flip, Snap, Shield - Total Protection

Effortless usage with snap-on closure and flip-open design

Featuring an integrated aluminium alloy metal frame design with built-in rubber padding for thoughtful protection.

### Tailor Made for Insta360 X4

Moulded for perfection, this design lets you shoot without limits - no matter how you plug it in.

With hollowed sides for unobstructed creativity, focus on capturing your best shots.

### **Innovate, Interact, Interface**

- **Side 1/4" threaded interface**  
Seamless switching between landscape and portrait shooting
- **Side Cold Shoe Mount**  
Attach photography lights and microphones
- **Bottom Universal action camera interface and 1/4" interface**  
Compatible with a wide range of GoPro accessories

### **Silicone Lens Cap**

Lightweight, durable and compatible with A-grade and S-grade lens guards. Dust and scratch-resistant for secure storage.
