

PGYTECH Insta360 X5 Camera Cage

ProdCode: PGYP57C020

Camera Cage For Insta360 X5

[\[Download Images\]](#) (.zip file)

Features

- Camera Cage For Insta360 X5
- Features a quick-lock split-body design for easy installation and a secure fit
- Made from durable aluminium alloy for enhanced protection
- Full-wrap metal frame and tailored cutouts ensure full access to buttons, battery, and mic holes, while a top cutout avoids signal interference
- Side expansion ports support various shooting accessories
- The base supports both Insta360's quick-release system and standard 1/4" mounts
- Includes a silicone lens cover for added protection
- Includes windshield foam, which effectively reduces wind noise while riding
- Net Weight: 62.5g
- Dimensions: 145mm x 62mm x 22 mm

Secure Locking, Easy Installation

The split-body design with a rotary knob ensures quick and secure installation, preventing accidental detachment or drops-perfect for worry-free outdoor shooting.

Durable Aluminium Alloy Brings All-Around Protection

Crafted from high-strength aluminium alloy with a full-wrap metal-frame, the cage features a built-in rubber pad for enhanced protection, making it ideal for action-packed adventures.

Precision Fit, Uncompromised Functionality

Custom-molded for the Insta360 X5, the cage ensures seamless access to buttons, battery and microphone holes. The top cutout minimizes signal disruption for optimal performance.

Versatile Connections for Boundless Creativity

- **Side 1/4" Screw Mount**
Enables low-center-of-gravity horizontal shooting for enhanced stability in sports
- **Dual Cold Shoe Mounts**
Easily attach accessories like fill lights and microphones
- **Bottom Insta360 Quick-Release & 1/4"Mounts**
Compatible with a wide range of action camera accessories

Insta360 X5 Silicone Lens Cover for Extra Protection

The snug-fit silicone lens cover shields against dust, scratches, and impact, ensuring peace of mind during storage and transport.
