

PGYTECH DJI Air 3/3S Safety Carry Case

ProdCode: PGYP60C010

Safety Carrying Case for DJI Air 3/3S

[\[Download Images\]](#) (.zip file)

Features

- Safety Carrying Case for DJI Air 3/3S
- Smart organization with customized space
- Waterproof rating IP67 (Once the case is closed, it can be submerged 1 meter under water without water penetration.)
- Resistant to drops, impacts, shocks, corrosion and extreme temperatures
- With a pressure balance valve to ensure safe operation

DJI Air 3/3S Safety Carrying Case can accommodate DJI Air 3/3S drone, Remote controller (DJI RC 2/DJI RC-N2/DJI RC-N3), intelligent flight battery*6 (including the one in the drone), battery charging hub, power cord, filter, and spare propellers. Plus there is still extra room for customized storage.

Made of impact-resistant plastic, it is solid and durable, and works well between -20[°]f to + 60 [°]f.

The high-quality EVA-foam lining offers the drone better protection and there are reserved holes for installing locks.

What's more, the case is equipped with a pressure balance valve to prevent air pressure differences caused by temperature and altitude changes inside and outside the case, to avoid vacuum sealing or bursting when opening.
