OneMo 2 is an all-in-one camera bag designed for professional photographers. A backpack plus shoulder bag combo can satisfy diverse needs. Scientifically-structured inner space lets both camera gear and living essentials be neatly stored. Upgraded front compartment supports V-shape and H-shape expansion, storing gimbal stabilizer and more. Wide rear opening allows lay-flat packing. Upgraded interior partitions are thicker and more flexible, which brings a secure fit and easy customization.

The high-performance back panel plus the wide and thick waist strap offers enhanced comfort on the move. Top+right access lets you easily grab a long-focus lens. Splash-proof PU-coated surface and rain cover protect your gear from unexpected weather. Besides, shoulder straps can store smartphones and fix a camera clip. Many other user-oriented details like multiple-handle design, battery-indicating system, Ykk zipper, as well as secret AirTag pocket together, maximize your creative experience.
