- Reinforced bottom padding for stability and enhanced protection

Simple Design, Timeless Elegance

Blending sleek simplicity with refined details, the OneGo 2 Backpack complements urban aesthetics across multiple scenarios. Whether for daily use or professional photography/videography, it offers the perfect combination of elegance and practicality.

Engineered for Maximum Comfort

- Ergonomically designed breathable multi-layer back panel
- Breathable design keeps you cool and dry
- Four-point support for even weight distribution
- Multi-layer cushioning structure
- Wide, thickly padded shoulder straps provide maximum pressure relief
- Adjustable chest strap

Lightweight Comfort, Shoot All-day

Weighing just 1.38kg/3.04lb, the 20L backpack is as light as three bottles of water (500ml), making it your perfect lightweight companion.

Wide-Open Access, no limits

180° rear clamshell opening for fast, easy organization.

Quick Access, Creative Freedom

The original one-handed closure system with a hidden magnetic buckle allows quick top access.

Side camera quick access to quickly capture the moment.

Splash-Resistant Fabric for Durability

Crafted with a PU coating, it maintains the fabric's premium feel while being resistant to wear and stains, effortlessly handling any environment.

Details That Make A Difference

- Metal hardware for a premium feel Metallic laser-etched logo makes a statement of sophistication
- The shoulder strap has attachment slots for the camera clip
- Water-resistant YKK® zippers + anti-theft zipper loop for enhanced security protection
- Side handle for easy pairing with luggage
- Custom straps allow you to attach a tripod or other items to the bottom of the backpack
- Hidden AirTag pocket for enhanced security
- The laptop sleeve boasts a magnetic anti-slip structure, ensuring your tech is always securely held
- The thick, reinforced base provides enhanced impact protection and stability
