[\[Download Images\]](#) (.zip file)

Features

- Organised Camera Bag
- Versatile carrying options: Single-shoulder, cross-chest, or waist bag with included strap
- Expandable design: Holds a 70-200mm lens and camera when expanded, with quick-fold storage
- HyperGuard material(CORDURA® base and high-performance PU coating) for lightweight durability
- Dual side pockets for water bottles and small items
- Side attachment points for attaching lens cases
- Adjustable molded dividers for stable gear storage
- Store batteries, filters, and other accessories in the inner top pocket, lined with soft fabric to prevent scratches and damage
- Durable and reliable YKK zippers provide safety and stability
- Stay cool with a breathable back panel

Flexible Expansion - Convenient Storage

The expandable bottom design can be folded and hidden when not in use, easily accommodating different shooting needs.

Multiple Modes, Effortless Switching

Use with a shoulder strap to convert into a should bag, attach to the main bag (OnePro) shoulder strap to switch to a chest bag, or pair with a strap for a waist bag.

Innovative Material, Tough and Splashproof

Introducing HyperGuard, crafted with CORDURA® fabric base and high-performance PU coating. This material offers excellent abrasion, tear and splashproof resistance, making it lightweight yet durable for outdoor challenges.

DIY Divider - Secure Protection

The flexible DIY dividers ensure your equipment stays stable and secure.

YKK® Zippers

YKK® zippers features a lifespan three times that of regular zippers, ensuring not just safety but also durability.

Detailed Storage - Meticulous Design

Inner Pocket on the Lid, lined with velvet, perfect for protecting batteries, filters and other small items.
