The OneGo Drawstring Bag is thoughtfully designed for outdoor enthusiasts capturing life's moments with a single camera and lens. Crafted from lightweight and reliable nylon fabric, it seamlessly blends elegance with versatility. Offering four versatile modes, it can be used as a handbag/shoulder bag/packing cube/camera strap. The quick and easy drawstring closure ensures rapid access to your gear. Inside, the main compartment is intelligently organized with two reinforced dividers and a magnetic

accessory pocket, keeping your camera, lenses, and accessories securely separated and protected from bumps. A concealed AirTag pocket provides an extra layer of security, while the thick interior padding ensures the utmost equipment safety.

Four Versatile Modes Elevate Your Street Chic

- A Handbag: Your Everyday Carry Companion
- A Shoulder Bag: Embrace the Trendy Street Look
- A Packing Cube: Travel with Enhanced Protection
- A Camera Strap: Capture Moments on the Fly

(Note: When used as a camera strap, the camera weight should be $\leq 1.5\text{kg}$).

Internal Dividers For Organized Storage

With two thick dividers to securely separate the camera and lens.

1 camera + 1 lens: Small or medium-sized mirrorless cameras (the combined length of camera+ lens $\leq 16\text{cm}$)

Accessory Storage with Magnetic Pocket

There's a magnetic pocket inside the bag to neatly store cables and more.

Drawstring Closure Allows Easy Access

The drawstring design, paired with secure clasps on both sides, ensures your belongings always stay in place.

Nylon Fabric Wards Off Splashes

Lightweight yet durable nylon fabric provides effective protection against splashes.

Multi-Layer Padding

The bag's interior features multiple layers of padding, guaranteeing the safety of your camera.

Discreet AirTag Pocket Brings Theft-Proof Security

An inconspicuous interior pocket hides your AirTag, providing added security against loss or theft.
