Modern Elegance, Capture Every Moment

- **Urban Retro Styling**
Leather like suede, available in two colours (Meteorite Grey / Earth Brown)
- **Seamlessly Molded with Microfiber Material**
Sleek design, modern yet simple

Three In One | Carry with Comfort, Security and Safety

- Surface fabric
- 600D reinforced nylon, supports up to 40Kg
- TPE material with bump design
- Menorca® Dye free, water based MicroSuede

Dye free Water based MicroSuede

Luxury automotive grad material chosen for ultimate comfort

- **Eco friendly & Skin safe**
Water based process with no irritation, odor, or dye wastewater
- **Excellent Colour Fastness**
Colour fastness and light resistance performance reach level 4 or above
- **Dry and Breathable** The surface is loose and porous, providing excellent breathability

Original Quick Connector | Safe and Smooth Operation

- **Secure Locking and Instant Detachment**
There is no risk of the camera falling off, regardless of the angle of the force applied, as long as the quick bead remains locked
- **Tear Resistant Dyneema® Fiber**
15x stronger than steel
- **Strong Load Bearing & Replace Warning**
Three layer structure enables you to change the lanyard in time, ensuring gear safety
- **18 Braided Dyneema®**
The lanyard can be directly compatible with most cameras. Metal clips included help to fit more cameras
- **Ball Quick Bead**
Blind buckle from any angle and say goodbye to the twisting problems of traditional straps for a better fit
- <strong
