Features

- Lightweight Slim Camera Strap - Outdoor
- Minimalist rugged style: The design is simple yet functional, highlighting professionalism and practical aesthetics.
- Quick-release system: Original buckle enables fast one-handed attachment and removal.
- High-strength material: UHMWPE core, 15× stronger than steel, abrasion-resistant, supports up to 30kg/66.1lb.
- Wide device compatibility: Fits compact cameras, mirrorless models, smartphones, and instant cameras.
- Adjustable length: Dual-side range of 820–1360mm/32.2-53.5in, suitable for users 150–190cm/4.9-6.2ft tall.

Rugged Yet Ready: Capture Every Moment

Combining rugged style with a lightweight feel, it handles the demands of outdoor shooting while keeping up with everyday moments.

- **Lightweight Comfort, Freer Shooting**

Slim-and-wide design, just 35g—comfortable to wear and effortless to shoot, all day long

- **Carry All Your Creative Essentials**

Compatible with compact cameras, mirrorless cameras, instant cameras, and smartphones, covering all your creative needs.

- Compact Camera
- Mirrorless Camera
- Smartphone
- Instant Camera

- **Tear-Resistant UHMWPE, Slim Yet Mighty**

Core made of UHMWPE, cool and smooth to the touch, combining rugged style with lightweight comfort. 15× stronger than steel, supporting up to 30kg*.

*Data from PGYTECH tests under normal conditions: maximum vertical load 30kg without breakage.

Snap & Shoot with Confidence

- Original quick-release buckle allows one-handed rapid attachment and detachment, with a secure locking mechanism.
- Quick-Mount Beads support 360° blind connection, allowing easy attachment at any angle.

*Includes 2 strap adapter rings to securely fit various camera lug holes, ensuring convenience and peace of mind.

Stay Secure, Shoot Fearlessly

3.1 Made from UHMWPE with an 18-strand cord, it's compact and lightweight, offering both portability and security. 3.2 Two-layer structure offers visible wear indication.

*Replace the cord when the inner yellow layer appears to ensure camera safety.

Adjustable & Confident Shooting

Dual-side quick adjustment, range 820–1360mm, suitable for 150–190cm height. Seamlessly switch between carrying and shooting for confident creativity anytime.

Clean & Ready to Shoot

Includes cleaning accessory for quick lens wipe, ensuring clarity and readiness in any outdoor scenario.

Versatile Usage, Flexible Switching

One strap for all shooting needs. Switch freely between shoulder and wrist modes for travel or street photography.

*Requires Quick-Mount Bead for integrated shoulder/wrist conversion.

- Shoulder Mode – Ideal for street photography outfits
- Wrist Mode – Single-hand grip for flexible candid shots

Creative Expansion, Easy Storage

Small items like lens caps or keys can be attached to the strap cord for flexible outdoor access and hassle-free storage.
