

PGYTECH OneMo Photography Waist Belt

ProdCode: PGYPCB584

Photography Waist Belt - Dark Night Camo

[\[Download Images\]](#) (.zip file)

Features

- Photography Waist Belt
- Extra Padding, Total Comfort. The waist belt features a padded section behind the front buckle that effectively eliminates pressure points, preventing the hard buckle from pressing directly against your abdomen
- The waist belt is equipped with multiple attachment points, allowing you to mount quick-release camera clips, lens pouches, tripod or accessory bags, and more
- The right side features a camera tether strap to temporarily keep the camera securely in place, preventing unwanted swinging while you're on the move
- The waist belt can be worn on its own, or attached to a backpack's built-in interfaces for use as a backpack waist belt
- Crafted from durable high-strength polyester fabric, it resists abrasions, tears, and deformation, ensuring secure, stable support for your gear

Extra Padding, Total Comfort

The wider design and thickened padding ensures even weight distribution - ideal for

long hours of heavy-duty shooting during travel, hiking, or outdoor creation.

- The waist belt features a padded section behind the front buckle that effectively eliminates pressure points, preventing the hard buckle from pressing directly against your abdomen, and ensuring maximum comfort all day long.

Mount Freely, Access Instantly

The waist belt is equipped with multiple attachment points, allowing you to mount quick-release camera clips, lens pouches, tripod or accessory bags, and more. This provides quick-access to essential gear, helping you get a jump on fast equipment changes.

Secure Hold, Zero Swing

The right side features a camera tether strap to temporarily keep the camera securely in place, preventing unwanted swinging while you're on the move.

Dual Modes, Seamless Switching

The waist belt can be worn on its own, or attached to a backpack's built-in interfaces for use as a backpack waist belt.

Rugged Fabric, Enduring Performance

Crafted from durable high-strength polyester fabric, it resists abrasions, tears, and deformation, ensuring secure, stable support for your gear.
