[\[Download Images\]](#) (.zip file)

Features

- Slim Camera Wrist Strap
- Minimalist rugged style: The braided design offers exceptional functionality and durability, reflecting professionalism and practical aesthetics
- Quick-release system: Original buckle enables fast one-handed attachment and removal
- High-strength material: UHMWPE core, 15× stronger than steel, abrasion-resistant, supports up to 25kg/55.1lb
- Wide device compatibility: Fits compact cameras, mirrorless models, smartphones, and instant cameras
- Anti-drop design: Fits wrists up to 320mm/12.5in, preventing slips and accidental camera drops

Three Styles to Stand Out

No matter vintage, colourful trendy, or outdoor minimalist, there's a unique expression that's all yours.

Vintage Style-Vintage Charm, Style Defined

- **Premium Leather, Feather-Light Feel**

Made with selected ECCO leather and soft TORAY lining, offering warm retro sheen. Weighing only 14g, it pairs with a delicate adjustable cord for seamless comfort and effortless handling.

Trendy Style-Colour Your Style, Play Your Personality

- **Energetic Colours, Effortless Style**

Inspired by Pop Art, the multicolour blocks bring energy and elevate your style effortlessly.

- **Z-Stitch Design, Sleek on Camera**

Innovative Z-stitching adds dynamic, dopamine-inspired colour layers.

Weighing only 16g and featuring a mixed-width design, it's light and

Comfortable to wear, Light to Carry, Strong to Rely

- **14g Feather-Light, Shoot with Freedom**

Blending thick and thin design for comfortable wear and effortless handling.

Made with UHMWPE fiber, it feels cool and silky—tough in style, yet light to carry.

Built Strong, Unified at Heart

Empowering your creative life with the same lightweight strength and reliability.

Versatile Compatibility, Capture Anywhere

All three styles are widely compatible with compact cameras, mirrorless cameras, instant cameras, and smartphones, meeting the diverse shooting needs of photography enthusiasts.

- Capture distant stories
Compact Camera
- Snap human moments freely
Mirrorless Camera
- Record daily life with your smartphone
Smartphon
- Feel the warmth of imagery
Instant Camera

Sleek Outside, Strong Inside

All three straps use UHMWPE (core for vintage and trendy styles, main material for outdoor style), with a strength 15x that of steel and a load capacity of up to 25?kg.

* Data from PGYTECH tests under normal conditions: maximum vertical load 25kg without breakage.

Snap & Shoot with Confidence

Original quick-release buckle allows one-handed rapid attachment and detachment, with a secure locking mechanism.

- Quick-Mount Beads support 360° blind connection, allowing easy attachment at any angle.
*Paired with a metal adapter ring, it securely fits most camera eyelets for efficient, worry-free shooting.

Stay Secure, Shoot Fearlessly

- **One-Hand Adjustment, Auto-Locking Safety**
Automatically conforms to your wrist under gravity, locking if the camera slips. Easily adjustable with one hand. Aluminum adjustment buckle is robust and premium-feeling, supporting your creative flow.
- **Compact, Light & Safe**
Made with 18-strand UHMWPE cord—lightweight, compact, yet safe.
- **Visual Wear Indicator**
Two-layer structure offers visible wear indication.
*Replace the cord when the inner yellow layer appears to ensure camera safety.

Comfortable Fit, Capture with Ease

Supports up to 320mm wrist circumference, fitting various hand sizes. Easily switch between walking carry and shooting for uninterrupted creative focus.

Make a Statement With Colour

Express yourself with colour. Switch freely among three shades to accessorize your camera and elevate your overall look.
