- Four-way installation for flexible shooting
- Compact and portable design.
- Main Material: Nylon + Fiberglass
- Dimensions: 32mm x 37mm x 15mm
- Weight: 40g
- Load Bearing: 300g
- Compatibility: Action cameras (GoPro/Insta360/DJI and other brands) and Smartphones

The CapLock Action Camera Quick Release Set is designed for quick mounting action cameras, smartphones, and other small photography devices on tripods and other mounts. It features a 1/4" interface for easy compatibility with tripods and suction

mounts. With its unique quick-release structure and dual-lock mechanism, it ensures secure and fast installation. The set includes both an action camera and 1/4" quick-release plates. And four-way installation of the adapter enables a smooth transition between self-portraits and capturing others.

- Effortlessly connect your action cameras, smartphones, and other small photography devices to tripods or other gears with ease.
 - Bottom 1/4" interface allows for easy compatibility with tripods and more.
 - Including an action camera adapter and a 1/4" adapter, it works well with action cameras and smartphones.
 - Four-way installation of the adapter enables a smooth transition between self-portraits and capturing others.
