CapLock Action Camera Ball-Head Quick Release Set

[\[Download Images\] \(.zip file\)](#)

Features

- CapLock Action Camera Ball-Head Quick Release Set
- Wide compatibility with multiple interfaces
- The ball head is compatible with PGYTECH suction and handlebar mounts
- Quick and convenient assembly and disassembly
- Dual-lock design for enhanced stability
- Four-way installation for flexible shooting
- Compact and portable design

The PGYTECH CapLock Action Camera Ball-head Quick Release Set is designed for the quick mounting of action cameras, smartphones, and other small photography devices on tripods and other mounts. It features a ball head for easy compatibility with PGYTECH suction and handlebar mounts. With its unique quick-release structure and dual-lock mechanism, it ensures secure and fast installation. The set includes both an action camera and 1/4" quick-release plates. And four-way installation of the QR plate allows for flexible shooting orientations.
