- Safe Clamping
- 30KG High Load Capacity

Enhanced Compatibility

The innovative new design supports 95% of square Arca-type Quick-Release plates.

95% Compatibility has been significantly enhanced with support for multiple brand quick-release plates.

- PGYTECH Arca-Type Quick Release Plate
- F38 Quick Release Plate
- Peak Design Plate
- and other square Arca-type Quick-Release plates...

Efficient and Reliable Setup

Upgraded clamping mechanism replaces traditional attachment systems for quick, secure setup.

- Utilizing a newly upgraded closed-loop clamping system ensures safe and stable attachment
- Reinforced woven strap with TPU coating provides abrasion resistance and high durability

Adjustable Fit for Any Strap

Four-point adjustment paired with two-position adjustment ensures a perfect fit for different strap thicknesses.

Strong Load-Bearing, Secure Mounting

Weighs only 79g/2.8oz yet supports loads up to 30kg/66lb, ensuring peace of mind while carrying.

More Details

- Curved backplate and flexible strap for comfortable carrying
- The dual-locking system with secondary slide-up locking mechanism ensures safety even when wearing gloves
- The anti-slip rubber pads prevent slippage or misalignment between the clip and the strap
- High-strength aluminum alloy with a corrosion-resistant hammered paint finish for durability and aesthetic beauty

Capture Every Moment of Your Journey

Pair with the PGYTECH Action Camera Adapter (sold separately) for chest-mounted POV shooting, ensuring you never miss a moment of your adventures.

Original SnapLock Camera Quick Release System

MANTIS POD With the PGYTECH Arca-Type Square Quick Release Plate, the SnapLock system enables quick switching between essential gear.

SnapLock Products

- MantisPod Series
- Arca-Type Quick Release Clamp & Plate V2
- Shoulder Strap Quick Release Clamp & Plate
- Ronin Stabilizer Quick Release Clamp

PGYTECH Arca-Type Square Quick Release Plate

Standard Arca-Swiss size ensures compatibility with most Arca-Swiss compatible tripod heads.

- The square design allows for fast, convenient 4-way installation
 - Integrated anti-slip rubber pad provides added grip and protects against scratches
 - The patented anti-loosening screw and thrust needle roller bearing keep the camera secure, preventing slips or drops.
