

PGYTECH CapLock MantisPod Power

ProdCode: PGYPGM149

Vlogging Tripod with Power - GoPro Edition

[\[Download Images\]](#) (.zip file)

Features

- Vlogging Tripod with Power
- Built-in 5000mAh Battery: Shoot worry-free with simultaneous charging, ensuring uninterrupted fun
- Standard Multi-functional Remote Control: Magnetic design for easy operation, supports functions like photo capture, video recording, etc.
- Innovative Hook Design in Mantis Mode: Versatile hanging positions for capturing life from every angle
- 360° Ball-Type Gimbal Design: Swiftly switch between horizontal and vertical shooting with the freedom of a full 360° rotation
- PGYTECH's New CapLock Action Camera Patented Quick Release System: Effortlessly install in one step, coupled with a dual-lock design

CapLock MantisPod Power provides an all-in-one solution for capturing life's moments, whether you're into action shots, smartphone filming, or desktop recording.

With a built-in 5000mAh battery, it's ready to power your action camera on the fly, ensuring extended creative sessions.

Included is a sleek remote control with magnetic storage, perfect for snapping photos, recording videos, and seamlessly switching camera modes. Experience four shooting modes – Mantis, Grip, Tripod, and Briefcase – all enhanced by a versatile gimbal design for unique angles.

Designed for efficiency, it comes with a CapLock action camera adapter and a 1/4" adapter, eliminating the hassle of traditional camera mounting. Compatible with both action cameras and smartphones, it's the ideal companion for dynamic content creation.
