- Security lock ensures reliability
- Made of high-strength aluminium alloy
- Dimensions: 138mm*93.5mm*85mm
- Weight: 170.5g
- Load Bearing: 300g
- Compatibility: All action cameras, smartphones(a phone clamp is needed), small photography lights, and microphones.

The CapLock Action Camera Suction Mount is designed to securely hold action cameras, smartphones, small photography lights, microphones, and other equipment on smooth surfaces such as glass, tables, and tiled walls. Dual ball head construction

features 360° tilting and rotating capabilities, effortlessly adjusted via a wingnut. With a foldable and compact design, it's portable and convenient to carry. And the quick-release mechanism and security lock ensure a stable installation. With its action camera adapter and 1/4" adapter, it offers broad compatibility with action cameras and smartphones.

Strong Suction Power

Featuring a resilient, thickened suction cup made from elastic resin, our mount boasts remarkable suction power for enhanced stability.

360° Panoramic View

The dual-ball magic arm provides a complete panoramic view with a single locking wingnut for rapid adjustments.

Wide Compatibility

Including an action camera adapter and a 1/4" adapter, it works well with action cameras and smartphones. (A phone clamp is needed when used with a smartphone)

Light and Portable

The fold design makes it easy to carry. Please note: This folding feature is suitable for short-term storage in 0°C to 30°C environment.

Robust Aluminium Alloy

The magic arm uses high-strength aluminium alloy, making it light yet reliable.
