### Tool-free Easy Use and Wide Compatibility

The manual twisting base makes it easy to attach to handlebars of different bicycles and motorbikes, while avoids flipping down or swinging even on bumpy roads.

### Total Flexibility

Dual ball heads together with magic arm ensure total pan-and-tilt flexibility. For road

navigation, voice call or listening to music, this mount brings you a refreshing riding experience.

### **Four-side Wrapping Design Enhances Stability**

The cradle-shaped design wraps four corners of your mobile phone tightly and the built-in rubber protects your phone from scratches and vibration.

### **Designed to Last and Withstand Intense Use**

Made of aluminium alloy and fibreglass-reinforced plastics, it has passed shock resistance and ageing resistance tests.
