Your Style, Your Shot - Redefine Mobile Photography

- Designed for mobile creators who value aesthetics, versatility and performance. The strap offers a timeless classic look with personality. Elevate your shots.

Mini Quick-Mount Bead, 10kg Load-Capacity

- One-second quick-release using the unlock button — zero risk of accidental detachment
- 7mm quick-mount bead with UHMWPE 18-strand cord (10kg/22 lb load capacity)
- The dead-point locking mechanism ensures a secure hold - no risk of accidental detachment from any angle, until you release it

Expand Your Creativity

- Built-in attachment points open up endless possibilities. Perfect for displaying your tech gadgets and trendy figurines

Slim Profile, Wide Compatibility

- The ultra-thin, tear-resistant mounting tab fits inside most full-cover phone cases. Its discreet design won't interfere with daily use when the strap is removed

Clean Lens, Sharp Vision

- A built-in lens cloth helps keep your lens clean - always be ready when inspiration hits

Featherweight, Comfortable, Ready-to-Go!

- The main strap body is made of high-strength webbing - lightweight yet exceptionally durable
- The shoulder section features an anti-slip design with laser-perforated microfiber keeping the strap secure and your phone protected, even during movement or bending

Adjustable Freedom

- The strap length is adjustable from 127 to 156 cm (50 to 61.4in) making it easy to fit a wide range of body types and scenarios. Even when lifting your phone to shoot, there's ample slack for free, unrestricted movement
