- Handgrip Mount for DJI RS3
- Used with a tripod, it can be used in briefcase mode
- NATO port for easy mounting/detaching
- Adjustable grip via the ARRI-style rosette
- 1/4 port and cold shoe port
- ARRI-locating
- High-strength aluminium-alloy

Low Angle Shooting Makes You Shoot With Ease

Together with a tripod, it can be used to conveniently operate in briefcase mode, making your shooting more relaxing and creative.

Different mounting points for monitor, articulating arm, microphone, etc

- Features ARRI locating holes and 1/4"-20 for a stable connection.
- With a cold shoe port to attach more photography accessories.

ARRI Style Rosette Brings Total Gripping Flexibility

Adjustable grip via the ARRI style rosette allows you to set your shooting angle freely.

Equipped With A NATO Port for Easy Connection

Locked to DJI RS3/RS3 Pro/RS2/RSC2 via NATO port, it features quick mounting/detaching and can be mounted on both sides of the gimbal stabilizer.

High-strength Aluminium Alloy

Made of high-strength aluminium alloy, it is light, durable, and compact enough for storage.
