## Slim and Compact Design

The OpticSlim 550 Plus occupies less space than a typical flatbed scanner.
It is an ideal choice for users who has limited space.

**Safely Scan Fragile Images & Documents**

In order to preserve document, there is a need to digitalize fragile papers into electronic files for future arrangements.

**Kiosk Integration (for Test Strip)**

The slim and compact design of OpticSlim 550 Plus is suitable for self-service kiosk solution which are helping businesses increase customer engagement and efficiency.

**Auto Crop and Rotate Scanned Documents**

Image process improves image quality, removes unwanted backgrounds, and reduces file sizes for easy storage.

**Easy-to-use Single Touch Buttons**

The OpticSlim 550 Plus has five one-touch scan buttons simplify the whole scanning process and automate the most used functions.

**OCR and Searchable PDF**

The OpticSlim 550 Plus includes the Plustek OCR[1] function, which helps convert scanned paper documents; such as receipts, invoices, and delivery notes into searchable PDFs or editable files.

**Easy Access to Software**

Compatible with most software applications with the compatibility to scan and integrate to existing platform via industry standard TWAIN & WIA.

**Versatile Scanning for Multiple Industries**

Focus on customs, government agents, reception desk, medical related, financial sectors or customer service front desk.
