Gooseneck Microphone

[\[Download Images\]](#) (.zip file)

Features

- Gooseneck Microphone
- Condenser microphone with XLR output and 300 mm adjustable gooseneck
- Low-profile design is ideal for livestreaming and web presentations
- High sensitivity for superior audio performance
- Narrow polar pattern for excellent off-axis sound rejection
- Detachable foam screen to reduce pops and wind noise
- Runs on phantom power (9 V to 52 V DC)

HIGH-QUALITY CONDENSER MIC FOR SELECT ROLAND STREAMING SWITCHERS

The CGM-30 Gooseneck Microphone is the perfect partner for the [UVC-02](#) Web Presentation Dock and [VR-1HD](#) AV Streaming Mixer, providing a high-quality desktop solution that eliminates the need for an external mic and stand. Ideal for livestreaming and online presentations, the mic features a condenser design that delivers superior audio performance in a low-profile package. The CGM-30 runs on phantom power and plugs directly into the top-panel XLR input on the Roland product.
