

Roland RMC-G5

ProdCode: ROLRMCG5

Gold Series Microphone Cable - 1.5m / 5ft

[Download Images] (.zip file)

Features

Roland's Gold Series microphone cables are engineered to accurately transmit the purest signals without contamination or noise interference. Genuine Neutrik connectors with 24K gold-plated contacts assure the cleanest, most precise audio reproduction available. Studio-quality oxygen-free copper core wire translates every tonal nuance with exceptional clarity, and the low-capacitance design ensures that voices and instruments always sound clear and true.
