

## Shure VP89M

**ProdCode: SHUVP89M**

Premium Modular Shotgun Microphone - Medium

[\[Download Images\] \(.zip file\)](#)

### Features

Premium modular shotgun microphone offers superior preamplifier design with RF immunity for pick-up of audience response, talk shows, and concerts. The product includes a low-cut filter switch, wide pickup angle, and unmatched off-axis rejection.

- Premium Modular Shotgun Microphone
- State-of-the-art preamplifier redesign
- Superior RF immunity
- Internal low-frequency roll-off
- Recessed low-cut filter switch for additional control
- Smaller footprint
- Superior Shure design and rugged, roadworthy construction
- Available in 3 sizes (Short / Medium / Long)

### Long

- For targeting sound sources over long distances (sporting events, ENG, wildlife, field recording)

- Extremely narrow pickup angle
- Unmatched quality of off-axis rejection

### **Medium**

- Wider target aperture for greater degree of ambience (audience response, talk shows, live concerts)
- Narrow pickup angle
- Unmatched quality of off-axis rejection

### **Short**

- High volume, widest aperture for greatest degree of ambience in near-field target range (camera mounting, discreet mounting)
- Wide pickup angle
- Unmatched quality of off-axis rejection
