Features

- Lightweight tripod with ball head
- Ideal for content creators, freelance photographers, and travelling videographers
- Suited to beginners and professionals alike
- Centres around an intuitive ball-head

Light in weight but heavy in value: The SLIK GX 640 BH is a full-size photo tripod, complete with a Ball-Head and it weighs in at just 1.09kg.

With a folded length of 46.5cm, the 4-section legs, with oversized flip-lock levers, allow it to extend up to 155cm and work as low as 47cm.

The GX 640 BH features anti-slip, rubber-tipped feet and the geared centre column (with crank handle), allows precise height adjustment. The legs feature lockable bracing, which allows leg angle to be adjusted and provides maximum stability. There is also a built-in bubble-level to ensure everything is straight. A carrying case is included.

In the box:
