Features

The Slik Quick Release Plate 6507 is the replacement 1/4 20? thread QR plate for Arca-Swiss compatible tripod heads including the PBH-535AS, PBH-635AS & SBH-400AS.

The all metal plate is 60mm long and includes the industry standard 1/4 20? threaded screw for mounting to film and digital cameras. The screw is adjustable to provide accurate positioning on the camera for fine-tuned balance. The durable rubber pad creates a solid slip free connection between the plate and camera to prevent camera drift. The plate also uses a tool free mounting design so you do not need a coin or screwdriver to securely attach the plate to your camera.

Compatible with

- Professional Ball Head PBH-635AS
- Professional Ball Head PBH-535AS
- Ball Head SBH-400AS
