

SLIK 6502

ProdCode: SLI3479

QR plate for Arca-Swiss compatible tripod heads including the PBH-425DS, PBH-525DS, SBH-180DS, and SVH-500

[\[Download Images\]](#) (.zip file)

Features

The Slik Quick Release Plate 6502 is the replacement 1/4 20? thread QR plate for Arca-Swiss compatible tripod heads including the PBH-425DS, PBH-525DS, SBH-180DS, and SVH-500.

The all metal plate is 70mm long and includes the industry standard 1/4 20? threaded screw for mounting to film and digital cameras. The screw is adjustable to provide accurate positioning on the camera for fine-tuned balance. The durable cork pad creates a solid slip free connection between the plate and camera to prevent camera drift. The plate also uses a tool free mounting design so you do not need a coin or screwdriver to securely attach the plate to your camera.

The QR plate 6502 works with all brands of Arca-Swiss compatible heads.
