**ProdCode: SLI3502**

Compact ball head for monopods and tabletop tripods

[\[Download Images\]](#) (.zip file)

### Features

The SBH-100DQ compact ball head is ultra-light. A single lever locks and releases the ball allowing for a full range of movement. As a result, you can lock the camera in position at almost any angle. The all-metal ball head has a small, low profile quick release plate. The 6252 quick release plate is compact enough to be left on the camera at all times. Use the SBH-100DQ BK with lightweight digital SLRs, video cameras and point-and-shoot cameras.

- Compact ball head for monopods and tabletop tripods
- The ball release lever provides quick adjustments for your camera position and the provision of a quick release plate makes this a very versatile head
