

Wise Advanced RD-40CXB

ProdCode: WISERD40CXB

CFexpress Type B Card Reader

[\[Download Images\]](#) (.zip file)

Features

Wise Advanced offers the industry-leading card readers to match high-performance recording media. With the USB4 interface, data transfer speed of up to 40 Gb/s is no longer a fairy tale.

- **Designed by Professionals for Professionals**
We know the strenuous demands required for working professionals in the field. We got you covered
- **Speeds of up to 40 GBPS Read**
With lightning data transfer rate, you can spend more time creating and less time on waiting
- **Aluminium, Sturdy and Sleek**
Aluminium is one of the best metals for heat dissipation as it's a good thermal conductivity. Toast some bread instead, not memory cards
