- Plug and play
- No Menu system, no sophisticated setup
- USB Webcam Mode
- Directly connect to a computer without a capture card needed

- Less Effort, More Quality. Powered by AI
- Computational fine-tuning, automatic enhancement

## **Sensor Size is King**

Witness the undeniable video quality advantage over smaller sensors. Because when excellence matters, every pixel counts.

## **Stream Smart, Shine Bright**

Ensure your products are visually stunning with real-time colour correction. Say goodbye to technical worries! YoloLiv AI model automatically adjusts camera settings, make it easy for beginners to create professional-quality streams.

## **Ultra-Fast, Razor-Sharp**

### **0.08s Instantaneous AutoFocus**

Achieve instant clarity with lightning-fast Time-of-flight (ToF) Auto Focus. Say goodbye to blurs and hello to perfectly focused videos every time.

## **Superior Low Light Performance**

### **Dual Native ISO**

Capture stunning, clear images in any lighting condition. Minimizes noise while preserving dynamic range, ensuring vibrant, sharp video—whether in dimly lit rooms or high-contrast environments.

## **Micro 43 Mount Interchangeable Lens**

Get a wider Field Of View or Optical Zoom tailored to your needs. Seamlessly switch lenses to suit any scenario.

\* For best auto-focus, Recommended lens: Lumix MFT 25mm F1.7; Lumix MFT 15mm F1.7

## **Non-Stop 24/7 Live Video Streaming**

- No overheating guaranteed
  - All-Aluminium Body
  - Expansive Heat-Dissipating Structure
  - Dedicated Encoding Hardware
  - Rock solid video with confidence
-
